

# HTU<sup>®</sup> based BIOREFINERY

J.E. Naber and F. Goudriaan  
(BIOFUEL B.V.)

J.P.M. Sanders and J.E.G. van Dam  
(Wageningen University and Research)

Project life 15 years; Not accounted for CO<sub>2</sub> credits and Green electricity credits

## Conclusions

- Considerable synergy between HTU<sup>®</sup> and protein extraction
- Scheme is very suitable for integration in industrial/agricultural complex
- Economics very promising

also funded by  
SENER/Novem
